Introduction

Baba Guru Nanak University stands as a beacon of academic excellence and cultural heritage, nestled in the heart of Nankana Sahib, Pakistan, the birthplace of the revered Sikh Guru Nanak Dev Ji. It was established in 2020. The university aims to foster a vibrant intellectual community dedicated to the pursuit of knowledge, research, and service. The institution strives to cultivate a compassionate, inclusive, and equitable, earning environment that empowers students to become responsible global citizens.

AIMS

The 3rd International Conference on Applied Sciences & Technology (ICAST-2026) aims to:

Foster collaboration and knowledge among researchers, Scientists and Practitioners in various fields of applied sciences and technology. Promote interdisciplinary research and explore synergies between different disciplines to address complex global challenges. Present your latest discoveries and contribute to the collective understanding of the field. Network with similar mind individuals, exchange ideas, and build lasting relationships. Stay up-to-date on the latest developments and innovations in applied science. Discuss practical applications of scientific research and contribute to addressing societal challenges. Connect with researchers from different fields and explore new avenues of collaboration. Share your expertise and inform policymakers to shape public policy.
